Light & bright, 2 bed, 2 bath, 1,181 sq ft single-level home in Oakmont, one of Sonoma County's most sought-after active 55+ communities, set in the beauty of Sonoma County's Valley of the Moon. Step inside and you'll find warm wood floors flowing through the main living areas, with plush thick-pile carpet in both bedrooms. The floor plan is easy and intuitive, and the single-level layout means you can move through the home comfortably without a step in sight. Outside is where this property really sets itself apart. Your covered patio opens to a beautifully landscaped, low-maintenance lot of 9,594 sq ft, with a tranquil water feature and a private garden artist studio that's ready for whatever creative pursuit you've been saving for this chapter. It's the kind of outdoor space you'll use every day. Practical details are well covered: a 2-car garage, separate laundry room, and plenty of storage keep everything in its place and out of your way. Living in Oakmont means access to the Recreation Center, two golf courses, tennis and pickleball courts, a pool, hiking trails, and a vibrant calendar of social clubs and activities. Hood Mountain and Sugarloaf Ridge are just minutes away for those who want to get out on the trails. This is Oakmont living at its best.
